

DONORS

Thank you for your partnership with the Sisters of St. Joseph of Concordia. You have made possible a year filled with prayer and accomplishment. You helped us launch Neighbor to Neighbor, a center for women and women with young children in downtown Concordia. And your generosity made

possible the new community garden on the grounds of the Motherhouse. You supported our mission in Brazil, made programs possible at Manna House of Prayer in Concordia, helped care for our elderly sisters and joined with us in reaching out to neighbors in need.

If there are any misspellings or omissions on this list, we sincerely apologize. Please contact us at 785/243-2113, ext. 1225, or at jrose@csjkansas.org so we can make the corrections.

GIFTS OF TRIBUTE

tribute gifts are made in memory or honor of the ones you love. The Sisters of St. Joseph have prayed for the family

and friends lost between July 2009 and June 2010. We have been with you as you celebrated births and marriages, graduations and promotions. We thank you for your gifts and for including us in the many occasions of your life. These are listed in alphabetical order, by whom the gift honored.

BEQUESTS

A bequest to the Sisters of St. Joseph of Concordia may convey your appreciation for our work in schools, hospitals, homes for children and the elderly, or in a dozen other places. It may honor the memory of a particular sister who touched your life and your heart.

Above all, it expresses your faith in the Sisters of St. Joseph, the importance of our service and our lives in

the active and inclusive love of Christ.

All types of assets can pass through a bequest, including cash, securities, real estate and tangible personal property. The bequest you plan today will benefit the sisters in the future. Such a gift may reduce taxes on your income and estate.

If you have questions about planned gifts, please contact the Development Office at 785/243-2113, ext. 1225.

We are honored to acknowledge these bequests *(listed at right)*.

ONE MORE GIFT...

After two weeks of computer problems at the Motherhouse — where we produce this newspaper and maintain the database of all our donors — we

ask for the gift of forgiveness if we left your name off the list, misspelled it or listed it incorrectly.

With the computers back up now, we are working to ensure we have corrected any errors that slipped through!

HOW YOU DESIGNATED YOUR DONATIONS

Sister Marie Coleman: Jan. 14, 1921-July 3, 2010

VIGIL: July 5, 2010, at the Nazareth Motherhouse, Concordia
EULOGIST: Sister Bette Moslander

We come together tonight to honor the memory of Sister Marie Coleman, and to celebrate her birth into new and eternal life.

Marie was born, Jan. 14, 1921, in St. Marys, Kan., the daughter of Natalie Dagenais and Oscar Joseph Coleman, the seventh of eight children in the family. There were two other girls and five brothers. Her mother Natalie died two weeks after the birth of the youngest, in the summer of 1922, leaving eight children to the care of their father.

Oscar moved the family of eight to Abilene, Kan., where he was able to place all of the children in St. Joseph Home, an orphanage, owned and staffed by the Sisters of St. Joseph of Concordia. Living in nearby Abilene, he faithfully and frequently visited the children. Marie would tell poignant and beautiful stories of her father's visits and how he brought the children small treats when he visited.

Throughout her life Marie would often recall incidents of her life in the orphanage and told stories of the sisters she knew as a child and loved because of their kindnesses and tender care. Recently Marie, with the help of Sarah Jenkins, published a small book "The Sisters Who Loved Me," recounting her days while she was at St. Joseph Home and her relationship with the sisters who befriended and educated her.

Speaking of her first attraction to religious life, she recalled Sisters DeChantal and Eulalia, who begged from nearby merchants for food and clothing for the 40 girls and 40 boys at the orphanage. She wrote, "I just knew that I wanted to be like them when I would grow up."

When Marie was 13 it was time to leave the orphanage. She moved to St. Marys and lived with her grandmother so that she could take her eighth-grade classes in the Catholic school.

The sisters had arranged for Marie to attend Marymount Academy in Salina for one year after she graduated from the eighth grade. She then transferred to the Abilene Public High School and she lived with her father and her sister, Ruth. She enjoyed the life of an ordinary high school girl, going to football games, acting in school stage productions, learning to sing and dance.

She graduated from Abilene High School in 1939 and almost immediately wrote her letter to Mother Mary Rose Waller asking to enter the

congregation, which she did on Sept. 15, 1939. She was received into the novitiate on March 19, 1940, and received the name Sister Mary Natalie, in honor of her mother. She made first vows one year later and final vows on Aug. 15, 1944. Marie celebrated her 70th anniversary this year. There are two remaining members of her band, Liebe Pellerin and Viatora Solbach.

Marie was assigned almost immediately after making first vows to the small parish school in Collyer, Kan., where she taught primary grades. As was true of most sisters at that time, she acquired her education piecemeal during

Homecomings

summer sessions at Marymount, returning each September to the elementary school classroom. This was her life from 1944 to 1969. During those years she taught in several parish schools in the Salina Diocese, and for a short time in Silver City, N.M., and in Aurora, Ill.

In July 1944, her beloved father died, bringing to a close his faithful dedication to his family whom he had raised so well without their mother. "It was the saddest day of my life," Marie said.

In 1955 she completed her bachelor's degree at Marymount, and later earned a master's degree from Kansas University where she specialized in Secondary Learning Disabilities and was certified as a Reading Specialist.

In 1981, Marie began a sabbatical at Mount St. Joseph's College in Cincinnati, where she trained as a Prison/Jail Chaplain and Counselor. She then moved to Washington, D.C., where she continued her education in prison chaplaincy in an archdiocesan program at Trinity College. During this period she did field work with the Washington, D.C., police certifying as a prison chaplain in 1984.

She was hired full time by the Bureau of Rehabilitation of the District of Columbia as Counselor, Court Advocate and Custody of Jail and Prison Releasees.

In the course of her active years working with the prisoners and the releasees, in 1987 she took a one-year course to become a Certified Clown, taking the name "Delight."

Marie's insatiable appetite for more and more learning experiences took her into many fields. In addition to her commitment to prison populations, Marie had an intense interest in any major

social justice issue that was current at the time. She wrote and called numerous offices of governors, legislators, politicians and clergy voicing her opposition to or support of given courses of action they were embarked on. And one thing I remember about Marie's commitment to peace and justice is that she was always well informed about the position she would take.

Her health began to decline in the early 1990s following three abdominal surgeries for peritonitis and diverticulitis. After a heart attack and open heart surgery in 1999 and breast cancer in 2002, she would return to the fray undaunted.

She moved first to Grand Island, Neb., where she continued to regain her strength. Then in 1996, she moved to Medaille Center in Salina.

There she took on volunteer work as chaplain at Saline County Jail and as a jail visitor and legislative aide at Catholic Charities. She also regularly volunteered at the Diocesan Office to review and respond to issues relating to federal legislation of significance to the Catholic social justice agenda.

When the Medaille Convent in Salina closed, Marie insisted on remaining in Salina where she could continue at some level her lifelong mission of active and inclusive love for the neglected and marginalized. Meanwhile her own health was steadily deteriorating.

Life itself has a way of leading us to the self-emptying that our Maxims call for and to which we find ourselves so strongly resistant. In 2007 Marie voluntarily moved to the Motherhouse where she immediately began exploring Concordia for needs she might be able to attend to, but mostly she was gradually letting go of her own need to be actively engaged in ministry.

Most recently after breaking her arm in a bad fall she moved to Mount Joseph Senior Village in order to receive daily physical therapy. She was making some progress and was determined to return to the Motherhouse, but it was not to be! Another fall resulted in a severe fracture in her other arm and a bleed in the brain that resulted in her death.

So we come to pay our respects and to share our memories of this valiant woman, as we gather here to remember her life, to bless her on her way to that kingdom where justice reigns and where we know she will be at peace forever.
