Dear Mr. President,

Congratulations on your re-election to a second term. We offer you our continued prayerful support.

Thank you for your renewed promise to enact comprehensive immigration reform. We, Sisters of St. Joseph of Concordia, Kan., have committed ourselves as a Congregation to stand in solidarity with and on behalf of our immigrant neighbors.

We thank you as well for the policy on Deferred Action for Childhood Arrivals (DACA). But as you well know, this is only a temporary action; action that some states will not acknowledge. What is needed is comprehensive immigration reform.

We stand ready to help you in keeping your promise by staying in dialogue our U.S. Senators and Congressional Representatives to pass just and comprehensive reform that includes unification of families and a path to citizenship for those living in the U.S. who have not been convicted of criminal acts. We will provide our elected representatives with the information they need to make cogent decisions in regards to our immigrant neighbors.

We urge you, Mr. President, to do everything in your political and personal power to bring forth immigration reform that is both just and fair.

A blessed Christmas season and joyous New Year to you and your beautiful family!
