This year we asked our state officials to join us

As the 2013 Kansas Legislature opened in January, we asked every state Senator and Representative as well as members of the Governor's cabinet to join Concordia in making a commitment to civility in public discourse and behavior.

With the help of members of the Concordia Rotary Club in early February, we hand-delivered 165 individual letters to our officials at the state Capitol in Topeka, along with a postage-paid card that we asked them to sign and mail back to us.

Fifty-seven made the commitment, and their signatures are below. For every signed card we received, we sent a letter to the editor of that official's hometown newspaper to publicly thank him or her for joining us in signing the Civility Pledge.
