Details are listed in the announcement to the right.

Additional information, including a registration form will be on our Facebook group page and online at the Marymount link of the Sisters of St. Joseph website and in the July Messenger. Get your calendars out and save-the-date and share this news with alumni.

If there are any other classes that are celebrating a milestone anniversary and want to directly contact classmates, I can provide a contact list.

I have kept Sister Lucille's list up-to-date since her passing, however if you think your contact information needs updated please contact us at [marymountcollegeofkansas@gmail.com](mailto:marymountcollegeofkansas@gmail.com) with name, address, email, phone and graduating class. Please note registration forms will not be mass emailed, but I do share the list with reunion organizers.
